Presidential Address

Aloha everyone,

The HISNA E-board would like to wish you all a happy new year and welcome back to a new school semester!

We hope you all had an enjoyable and safe winter break. As the new semester begins, I hope you continue to prosper and succeed in your studies. Don't forget to take time for selfcare and focus on yourself!

To the seniors: We are at the home stretch to graduation. Keep up the hard work and soon enough, you will be walking off that stage receiving your BSN! Hang in there :)

Mahalo, Angelique Mara HISNA President

Hawai'i Student Nurses' Association

- Held a fundraiser with Molokai Hot Bread
 - Mahalo nui loa to everyone who supported!
- 8th Annual HISNA Conference
 - Planning for our first in-person conference since the pandemic
 - Will update any new changes to our Instagram page
 - Save the date: March 5, 2022

Chaminade University of Honolulu

 Chaminade's SNA is so happy to be back to school this semester and we are all looking forward to this semester.

December 2021

- Took part in health screenings at St. Theresa's Co-Cathedral
- Celebrated our seniors at our special pinning ceremony awarding them for their accomplishments through nursing school

• Jan 2022

- Chaminade's SNA is looking forward to preparing some great events and activities for our nursing students to take part in.
 - We are especially looking forward to the 70th annual NSNA conference in April!

Hawai'i Pacific University

New Student Orientation: 1/7

- Welcomed the new incoming nursing students in person for the first time in 2 years
- Provided them tips on how to survive and make the most out of nursing school

New E-Board for the Spring • 2022

 With new members joining our e-board, we will continue to diligently plan and strategize events and fundraising ideas for members to participate in the upcoming months for this semester!

University of Hawai'i at Manoa

- Next General Meeting: 1/24 at 0900 via Zoom
- The University of Hawai'i
 School of Nursing has
 been renamed to the
 Nancy Atmospera-Walch
 School of Nursing (UH
 NAWSON)
 - Named after a UH
 Nursing alumna, who
 has made a
 transformative gift to
 the school!
- UH NAWSON will be conducting virtual, public presentations for three finalists for the Dean position in the next couple of weeks.

Prevention

Putting on sunscreen

- SPF, also known as, sun protector factor, should be at or above 30 for activities that last longer outside the sun and at or above 15 for regular usage.
- Wearing sunscreen daily is also recommended.
- Wearing protective clothing.
 - Dark-colored clothing, loose-fit
 clothing, densely woven cloth, and
 check for Ultraviolet Protection
 Factor (UPF) labels on your clothing.
- Get an appointment with a dermatologist.
 It is better to treat skin cancer when

caught early.
